SETTLEMENT AGREEMENT

It is hereby stipulated and agreed to by and between Plaintiff Kison Patel, on one hand, and Defendants AT&T Services, Inc. and Illinois Bell Telephone Company on the other hand (collectively the “Parties”), in settlement of this Action which shall be effectuated pursuant to the terms and conditions set forth in this Settlement Agreement, subject to the approval of the Court.

ARTICLE I - RECITALS

1. **WHEREAS**, on or about September 17, 2015, Plaintiff filed an action entitled *Kison Patel v. AT&T Inc.* in the United States District Court for the Northern District of Illinois, Eastern Division. On or about October 1, 2015, Plaintiff filed a First Amended Complaint that named AT&T Services, Inc. (“AT&T Services”) and Illinois Bell Telephone Company (“Illinois Bell”) as the defendants in the Action and that dismissed AT&T Inc. from the case;

2. **WHEREAS**, the Action alleges, on behalf of Kison Patel and on behalf of a putative class, that AT&T Services and Illinois Bell violated the federal Telephone Consumer Protection Act by placing calls using an automated telephone dialing system and/or a

prerecorded or artificial voice message to cellular telephone numbers without the prior express consent of the subscribers to those cellular telephone numbers;

3. **WHEREAS**, counsel for the Parties have investigated the facts relating to the matters alleged in the Action, have made a thorough study of the legal principles applicable to the claims asserted in the Action, and conducted a thorough assessment of the strengths and weaknesses of their respective cases;

4. **WHEREAS**, counsel for the Parties have engaged in arm's-length negotiations concerning the settlement of the claims asserted in the Action;

5. **WHEREAS**, AT&T Services and Illinois Bell, without admitting any liability, fault, or wrongdoing, desire to settle the Action and the claims asserted in the Action, on the terms and conditions set forth herein, for the purposes of avoiding the burden, expense, and uncertainty of continuing litigation and to put to rest the controversies engendered by the litigation;

6. **WHEREAS**, Patel and counsel for Patel, on behalf of the Settlement Class, have concluded, based upon their investigation and taking into account the contested issues involved, the expense and time necessary to prosecute the Action through trial, the risks and costs associated with further prosecution of the Action, the uncertainties of complex litigation, and the substantial benefits to be received pursuant to this Settlement Agreement, that a settlement on the terms set forth herein is fair and reasonable and in the best interest of Mr. Patel and the Settlement Class; and

7. **WHEREAS**, Patel and counsel for Patel, on behalf of the Settlement Class, have agreed to settle the Action with AT&T on the terms set forth herein and to have judgment entered pursuant to this Settlement Agreement without trial or adjudication of any issue of fact or

law and without this Settlement Agreement, including any exhibits thereto, constituting any evidence against, or any admission by, any Party with respect to liability, fault, or any other issue raised in the Action.

NOW, THEREFORE, it is hereby stipulated and agreed that, in consideration of the agreements, promises, and covenants set forth in this Settlement Agreement, and subject to the approval of the Court, the Action shall be fully and finally settled and dismissed with prejudice under the following terms and conditions.

ARTICLE III - SETTLEMENT PROCEDURES

A. Class Certification

1. The Parties agree to request that the Court certify the Settlement Class for purposes of settlement only. The certification of a class for settlement purposes is made without prejudice to the rights of AT&T to oppose class certification and/or to contest issues of liability in this Action, or any other action, should this Settlement Agreement be terminated or the Effective Date not occur for any reason, and is not to be construed as an admission that the Settlement Class or any other class would be appropriately certified for purposes of litigation.

2. For purposes of this Settlement Agreement and the proceedings and certification contemplated herein, the Parties stipulate and agree that subject to approval of the Court, Kison Patel shall be appointed the Settlement Class Representative for the Settlement Class and his counsel from the law firm of Warner Law Firm, LLC shall be appointed Class Counsel.

B. Court Proceedings

1. As soon as practicable after the execution of this Settlement, the Parties shall file with the Court a Motion for a Preliminary Approval Order, the Order of which shall be substantially in the form of Exhibit E.

2. No later than ten (10) days after the Parties have filed the Motion for Preliminary Approval Order by the Court, AT&T shall provide, or cause the Settlement Administrator to provide on AT&T's behalf, notice of the Settlement and the required documents to be submitted to the appropriate state or federal officials in accordance with the Class Action Fairness Act of 2005 ("CAFA"). *See* 28 U.S.C. § 1715. The Parties agree that AT&T is permitted to provide such notice as required by law and that any notice by AT&T shall be done to effectuate the Settlement and shall not be considered a breach of this Agreement or any other agreement of the Parties. No later than fourteen (14) days after the entry of the Preliminary Approval Order by the Court, AT&T shall file or cause the Settlement Administrator to file with the Court a certification that it complied with the CAFA notice requirements and stating the date of such compliance.

3. At the Final Approval Hearing, the Parties shall request that the Court enter a Final Approval Order and Judgment substantially in the form of Exhibit B.

C. No Admission of Wrongdoing

1. AT&T continues to deny that it has committed any wrongdoing as alleged by the Plaintiff. In no event is this Settlement Agreement to be construed as, or is it to be deemed evidence of, an admission or concession on the part of AT&T with respect to: any claim by Plaintiff, members of the Settlement Class, or any other person; any fault, liability, wrongdoing, or damage whatsoever; or the propriety of certification of the Settlement Class or any other class if the Action is to be litigated rather than settled.

ARTICLE IV - SETTLEMENT CLASS BENEFITS AND OTHER PAYMENTS

A. Settlement Fund

1. AT&T shall establish a Settlement Fund of \$1,925,000 (one million, nine hundred twenty-five thousand dollars) out of which all payments to class members and all Attorney's Fees and Costs shall be paid. AT&T shall disburse the Settlement Fund to the Settlement Administrator within fifteen (15) days of the Effective Date.

2. AT&T will separately pay all costs of notice and administration related to implementing the terms of this Settlement Agreement, including contracting for the services of the Settlement Administrator. Expenses associated with the Settlement Administrator will be invoiced directly to AT&T and will not be paid from the Settlement Fund.

B. Incentive Award

1. AT&T will separately pay Patel an Incentive Award for his service as the Settlement Class Representative in an amount not to exceed \$10,000 (ten thousand dollars). Patel must make a written application for this Incentive Award no later than fifteen (15) days before the earliest deadline for any member of the Settlement Class to object to the Settlement. The amount of the Incentive Award is subject to Court approval. The Incentive Award shall be paid by AT&T directly and not be paid from the Settlement Fund.

2. The Incentive Award reflects Patel's time and effort in bringing the Lawsuit, responding to written discovery including searching his records for responsive documents, and participating in settlement negotiations. The Incentive Award is also in lieu of Plaintiff's alleged statutory damages or any payment from the Settlement Fund Plaintiff may otherwise be entitled to. Patel, accordingly, shall not be permitted to submit a Claim Form, nor shall he receive the Notice. Class Counsel shall submit to AT&T such documentation (such as an IRS W-9 form to

reflect the payment of the amount of any Incentive Award paid to Plaintiff) as may be reasonably requested in order to accomplish the payment of the Incentive Award contemplated herein.

3. Subject to the terms and conditions of this Agreement, within twenty (20) days after the Effective Date, and only in the event that the Court has approved an Incentive Award to Patel, AT&T shall pay the amount of the Incentive Award to Patel. Said distribution will be by check, made out to Patel and sent to Class Counsel, Warner Law Firm, LLC, 350 S. Northwest Hwy., Ste 300, Park Ridge, IL 60068, by next day delivery by either FedEx or UPS in a manner that allows for tracking of the payment. Under no circumstances will AT&T be liable to Patel for, because of, relating to, concerning, or as a result of the failure or inability of Class Counsel to distribute Plaintiff's Incentive Award to Plaintiff, and Plaintiff releases AT&T from any and all disputes and claims because of, relating to, concerning, or as a result of the failure or inability of Class Counsel to distribute Plaintiff's Incentive Award to Plaintiff.

C. Attorney's Fees and Expenses

1. No later than fifteen (15) days before the earliest deadline for any member of the Settlement Class to object to the Settlement, Class Counsel may make written application to the Court for an award of Attorney's Fees and Costs not to exceed, in the aggregate, twenty-five percent (25%) of the Settlement Fund (or four hundred eighty-one thousand two hundred fifty dollars (\$481,250)). The Parties agree that the Court (and only the Court) shall determine the final amount of the Attorney's Fees and Costs in this Action. The amount of Attorney's Fees and Costs shall be paid from the Settlement Fund. In the event that the Court's award of Attorney's Fees and Costs is less than one-quarter of the Settlement Fund, the difference shall remain as part of the Settlement Fund. In the event the Attorney's Fees and Costs finally approved by the Court is less than the amount applied for, no other relief may be sought from

the Court, so as to increase the award of Attorney's Fees and Costs or otherwise make up some or all of the shortfall.

2. Subject to the terms and conditions of this Agreement, within twenty (20) days after the Effective Date, and only in the event that the Court has made an award of Attorney's Fees and Costs to Class Counsel, the Settlement Administrator shall distribute from the Settlement Fund the amount of any Attorney's Fees and Costs awarded by the Court to Class Counsel. Said distribution shall be made by check payable to Warner Law Firm, LLC and sent to Class Counsel, Warner Law Firm, LLC, 350 S. Northwest Hwy., Ste 300, Park Ridge, IL 60068, by next day delivery by either FedEx or UPS in a manner that allows for tracking of the payment. Class Counsel shall submit to the Settlement Administrator such documentation (such as an IRS W-9 form) as may be reasonably requested in order to accomplish the payment of the Attorney's Fees and Costs contemplated herein. Except as provided for in this Article, the Parties shall bear their own attorney's fees, costs and expenses incurred in the prosecution, defense and/or settlement of the Action.

3. The Parties agree that the rulings of the Court regarding the amount of Attorney's Fees and Costs, and any Incentive Award and any claim or dispute relating thereto, are at the Court's discretion to be considered by the Court separately from the remaining matters to be considered at the Final Approval Hearing as provided for in this Settlement Agreement. Any order or proceedings relating to the amount of Attorney's Fees and Costs or the Incentive Award, including any appeals from or modifications or reversals of any orders related thereto, shall not operate to modify, reverse, terminate, or cancel the Settlement Agreement, affect the releases provided for in the Settlement Agreement, or affect whether the Final Approval Order and Judgment becomes Final as defined herein.

ARTICLE V - PAYMENT OF CLAIMS

1. Subject to the terms and conditions of this Agreement, if a Class Member submits a Valid Claim Form, he or she shall receive a payment from the Settlement Fund.

2. At the close of the Claims Period, the Settlement Administrator shall determine (i) the number of claims made by Class Members who have not opted out, who have properly returned a Valid Claim Form, and for whom an address is available, and (ii) the total amount of funds remaining in the Settlement Fund, after the deduction of the Attorney's Fees and Costs.

3. Each Class Member who submits a Valid Claim Form shall be entitled to payment in the base amount of \$250. To the extent that a \$250 per claimant payment would be insufficient to exhaust the Settlement Fund, each Class Member's payment will also include a *pro rata* share of the remaining funds based on the number of automated/prerecorded voice collections calls to the Class Member's telephone number, as reflected in AT&T's call records produced in the Action. AT&T will provide these records to the Settlement Administrator upon the entry of the Preliminary Approval Order. The *pro rata* payment shall not exceed a total of \$500 per call as documented in AT&T's call records.

4. If money remains in the Settlement Fund after all Valid Claim Forms are paid, the Settlement Administrator shall distribute the remaining funds to a mutually agreed-upon 503(c) entity, subject to the Court's approval.

5. Subject to the terms and conditions of this Agreement, within twenty (20) days after the Effective Date, the Settlement Administrator shall mail a check to each Class Member who has returned or submitted a Valid Claim Form and who has not opted out of the Settlement. These checks shall be paid solely from the Settlement Fund and shall be mailed to the address provided by the Class Member on his or her Valid Claim Form.

6. All checks issued under this section shall be void if not cashed within forty-five (45) calendar days of their date of issue, and shall contain a legend to that effect. If any checks are not cashed within forty-five (45) calendar days of their date of issue, those checks will not be reissued and any money remaining in the Settlement Fund as a result of uncashed checks shall revert to AT&T.

ARTICLE VI - DUTIES OF SETTLEMENT ADMINISTRATOR

A. General

1. Counsel for both Parties shall have equal access to the Settlement Administrator.

B. Notice

1. Upon the issuance of the Preliminary Approval Order, Class Counsel will cause subpoenas to be served upon Verizon Wireless, T-Mobile, Sprint, and U.S. Cellular. Those subpoenas will request each carrier to identify, by name and address, the subscribers to the wireless telephone numbers that comprise the Settlement Class, as of the date AT&T's records first reflect the receipt of a complaint concerning a communication to the number regarding a U-verse account of which the call recipient was not the accountholder. The Parties will promptly forward any responses received to the Settlement Administrator. For each name and address identified, the Settlement Administrator shall, by using the National Change of Address ("NCOA") database maintained by the United States Postal Service ("Postal Service") obtain updates, if any, to the mailing addresses.

2. For all telephone numbers of members of the Settlement Class that are not identified in the responses to the subpoenas issued to the wireless carriers, the Settlement Administrator will use a reverse look-up process to attempt to identify the owners of those numbers.

3. Within thirty (30) days of receiving the last response to the subpoenas from the carriers, the Settlement Administrator shall mail the written Notice and the Claim Form to each Class Member for whom a mailing address has been obtained. The Notice and the Claim Form shall be sent by direct U.S. Mail. If any Notice is returned by the Postal Service as undeliverable, the Settlement Administrator shall re-mail the Notice to the forwarding address, if any, provided by the Postal Service on the face of the returned mail. Other than as set forth above, neither the Parties nor the Settlement Administrator shall have any other obligation to re-mail Notices.

4. The Settlement Administrator shall have discretion to format the Notice and Claim Form in a reasonable manner to minimize mailing or administrative costs. Before Notice is commenced, counsel for the Parties shall first be provided with a proof copy of any and all Notices and Claim Forms (including what the items will look like in their final form) and shall have the right to inspect the same for compliance with the Settlement Agreement and with the Court's orders. The Settlement Administrator will also cause a long-form notice, substantially in the form of Exhibit D, to be posted to the Settlement Website prior to mailing the written Notice.

5. After entry of the Preliminary Approval Order and prior to the date of the mailing of any Notice, the Settlement Administrator shall cause the First Amended Complaint (Oct. 1, 2015), Answer (Oct. 22, 2015), Notice, Claim Form, Preliminary Approval Order, and this Settlement Agreement to be made available on the Settlement Website to be administered by the Settlement Administrator. The Settlement Administrator shall cause the Settlement Website to be updated as appropriate with a list of important dates related to the claims process and the Settlement. This includes, but is not limited to, dates by which class members must submit claims, opt-outs, objections, and dates of hearings or other appearances before the Court.

C. Claim Forms, Opt-Outs, and Objections

1. Claim Forms shall be returned or submitted to the Settlement Administrator, via U.S. Mail or via submission on the Settlement Website, by the deadline set by the Court as the close of the Claims Period or be forever be barred. The Parties will recommend that the deadline for the return or submission of Claim Forms to the Settlement Administrator should be forty-five (45) days from the deadline for sending Notice.

2. Each Class Member shall have the right to opt out and not participate in the Settlement Agreement. The Notice shall inform each Class Member of his or her right to request exclusion from the Settlement Class and not to be bound by this Agreement. Any person who opts out of the Settlement may not file an objection or a Claim and shall be deemed to have waived any rights or benefits under this Settlement Agreement.

3. The Parties will recommend that the deadline for any such opt outs be forty-five (45) days from the deadline for sending Notice. Each Class Member who wishes to opt out or otherwise be excluded from the Settlement Agreement must personally complete and mail, to the Settlement Administrator at the addresses set forth in the Notice, a request for exclusion that clearly and unequivocally states the Class Member's intent to be excluded from the Settlement Class and to not participate in the Settlement. The opt out request must include the individual's name, address, and signature (or the signature of a person previously authorized by law, such as an attorney, trustee, guardian, or person acting under a power of attorney to act on behalf of the Class Member with respect to a claim or right such as those brought in the Action), and contain, to the extent known to the Class Member, the cellular telephone as to which he or she seeks exclusion.

4. No person shall purport to exercise any exclusion rights or any other rights of any other person, or purport (a) to opt out Class Members as a group, aggregate, or class involving more than one Class Member; or (b) to opt out more than one Class Member on a single document, or as an agent or representative. Any such purported opt outs shall be void, and the Class Member(s) that is or are the subject of such purported opt-outs shall be treated as a class member.

5. Prior to the Final Approval Hearing, the Settlement Administrator shall create a comprehensive list of successful opt-outs to be filed with the Court. Prior to the filing of this list, counsel for the Parties shall, if possible, agree as to whether a communication from a Class Member is a request to opt out. In the event that counsel for the Parties cannot agree whether the member of the Class has opted out or otherwise excluded themselves from the Settlement Agreement, the question shall be presented to the Court at the Final Approval Hearing.

6. The deadline for a Class Member to object to the Settlement Agreement shall be forty-five (45) days from the deadline for sending Notice. Any Class Member who has not filed a timely, valid, and proper written request for exclusion, and has submitted to the Claims Administrator a valid claim form and who wishes to object to the fairness, reasonableness, or adequacy of this Settlement Agreement or to any award of Attorney's Fees and Costs or the Incentive Award must file the objection with the Clerk of the Court no later than forty-five (45) days after the deadline for sending Notice or as the Court may otherwise direct, a written statement, signed by him, her, or it, or his, her, or its duly authorized agent. A copy of the objection should also be served on the Settlement Administrator. That statement must include the Class Member's name and address, and set forth his, her, or its objections to the Settlement Agreement as well as the specific reason(s), if any, for each objection, including any legal

support the Class Member wishes to bring to the Court's attention and a description of the evidence (if any) the Class Member wishes to introduce in support of the objections. Any objector may so object either on his or her own behalf or through an attorney hired at his or her own expense, if the attorney files an appearance on his or her behalf. The objector need not personally appear at the Fairness Hearing to have his or her objections considered by the Court. Any Class Member who does not submit a timely objection in accordance with this Agreement, the Notice, and otherwise as ordered by the Court shall not be treated as having filed a valid objection to the Settlement and shall be forever barred from raising any objection to the Settlement.

D. Curing Deficient Claims

1. The Settlement Administrator shall be responsible for receiving and keeping safe and secure all Claim Forms and administering the Settlement. The Settlement Administrator shall examine each Claim Form in a timely manner and determine if the Claim Form constitutes a Valid Claim Form eligible to receive payment. The Settlement Administrator shall have completed his inspection of all Claim Forms by the later of the Effective Date or twenty (20) days from the time set by the Court for the return of Claim Forms.

2. The Settlement Administrator shall identify any persons who submit Claim Forms that are incomplete and advise those persons in writing of the deficiencies in their Claim Forms, providing them with 30 days in which to cure any such deficiencies. In the event a person fails to cure the identified deficiencies within the 30-day period, the Settlement Administrator shall provide his or her contact information to Class Counsel, who may call and follow up with the person. The period to cure such deficient Claim Forms shall be closed 14 days after Class Counsel receives the list of any remaining deficient Claim Forms.

3. The Settlement Administrator shall have final responsibility for determining if a submitted Claim Form constitutes a Valid Claim Form. However, if the Parties through their counsel mutually agree that a Claim Form that the Settlement Administrator has deemed deficient should nevertheless be entitled to share in the distribution, that Claim Form will be treated as a Valid Claim Form.

E. Distribution of Payments

1. The Settlement Administrator shall pay claims of those class members who have timely submitted a Valid Claim Form in an amount they are entitled to under the terms of this Agreement and in the manner provided for in this Agreement.

2. The Settlement Administrator shall make the payment of any Incentive Award in an amount Plaintiff is entitled to under the terms of this Agreement that was approved by the Court and in the manner provided for in this Agreement.

3. The Settlement Administrator shall make the payment of any Award of Attorney's Fees in an amount Class Counsel is entitled to under the terms of this Agreement that was approved by the Court and in the manner provided for in this Agreement.

ARTICLE VII - RELEASES

1. The releases below are conditioned upon the approval of the Settlement Agreement by the Court and shall take effect upon the Effective Date. If this Settlement Agreement is not approved by the Court or for any reason does not become effective, it shall be deemed null and void and shall be without prejudice to the rights of the parties hereto and shall not be used in any subsequent proceeding in this or any other litigation or in any manner whatsoever. Nothing in this Release shall preclude any action to enforce the terms of the Settlement Agreement, including participation in any of the processes detailed herein.

could have been asserted in the Action; (b) the use by AT&T or entities operating on behalf of AT&T of any “automatic telephone dialing system,” “automatic dialer,” “automated dialer,” “dialer,” and/or an “artificial or prerecorded voice” to contact or attempt to contact Plaintiff’s cellular telephone number; and (c) any violation and/or alleged violation of state or federal law regarding unwanted telephone calls made to Plaintiff’s cellular telephone number. 6. The Releasing Parties hereby expressly agree that, upon the Effective Date, each will waive and release any and all provisions, rights, and benefits conferred either (a) by Section 1542 of the California Civil Code or (b) by any law of any state or territory of the United States, or principle of common law that is similar, comparable, or equivalent to Section 1542 of the California Civil Code, with respect to the claims released pursuant to this Article. Thus, on the Effective Date, all members to the Settlement Class who have not successfully opted out shall be deemed to have, with respect to the subject matter of the Action, expressly waived the benefits of any statutory provisions or common law rules that provide, in sum or substance, that a general release does not extend to claims that the person does not know or suspect to exist in the person's favor at the time of executing the release.

ARTICLE VIII - DISAPPROVAL, TERMINATION, OR NULLIFICATION OF SETTLEMENT

1. Each Party shall have the right to terminate this Settlement Agreement if (i) the Court denies preliminary approval of this Settlement Agreement (or grants preliminary approval through an order that is not substantially similar to Exhibit E hereto); (ii) the Court denies final approval of this Settlement Agreement (or grants final approval through an order that is not substantially similar to Exhibit B hereto); or (iii) the Final Approval Order and Judgment does not become Final by reason of a higher court reversing final approval by the Court, and the Court thereafter declining to enter a further order or orders approving the Settlement on the terms as set forth herein. AT&T shall have the right to terminate the Settlement Agreement if (i) the Court awards Attorney's Fees and Costs that are in excess of one-quarter of the Settlement Fund or (ii)

the Court awards an Incentive Fee in excess of \$10,000. If a Party elects to terminate this Settlement Agreement under this paragraph, that Party must provide written notice to the other Parties' counsel, by hand delivery or mail, within ten days of the occurrence of the condition permitting termination.

2. This Agreement shall be terminable at the option of AT&T if more than five percent (5%) of the Settlement Class opt outs of the Settlement Agreement.

3. If this Settlement Agreement is terminated or disapproved, or if the Effective Date should not occur for any reason, then: (i) this Settlement Agreement and all orders entered in connection therewith shall be rendered null and void; (ii) this Settlement Agreement, and all negotiations, proceedings, and orders relating hereto, shall be of no force or effect and shall not be used or referred to for any purpose whatsoever, and without prejudice to the rights of the Parties; and (iii) all Parties shall be deemed to have reverted to their respective status in the Action as of the date and time immediately preceding the execution of this Settlement Agreement and, except as otherwise expressly provided, the Parties shall stand in the same position and shall proceed in all respect as if this Settlement Agreement and any related orders had never been executed, entered into, or filed, except that the Parties shall not seek to recover from one another any costs and attorney's fees incurred in connection with this Settlement.

ARTICLE IX - GENERAL PROVISIONS

Cooperation

1. Plaintiff and Defendants and their respective attorneys and agents agree to cooperate fully with one another and to use their best efforts to effect the consummation of this Settlement Agreement under the terms specified in this Settlement Agreement. In the event there is an impasse or unresolved disagreement between the Parties involving the consummation of

this Settlement Agreement, the Parties agree, prior to preparing and presenting any motion to the Court, to speak to each other over the telephone to discuss a resolution of the impasse or disagreement without the Court's assistance. If the Parties' remain at an impasse or unresolved disagreement after that telephone conversation, then the dispute may be formally submitted to the Court for resolution.

Litigation Stay / Injunction of Other Claims

2. Except as necessary to secure approval of this Settlement Agreement or as otherwise provided herein, the Parties shall take no further litigation steps in this Action. In the event the Settlement Agreement is not approved or is terminated according to its terms, the Parties may resume litigation thirty (30) days after such event or as otherwise provided by an order of the Court, providing that, pending the Fairness Hearing and the Effective Date, Plaintiff and all members of the Settlement Class are enjoined from commencing or prosecuting, either directly or indirectly, any action asserting any of the Released Claims against any of the Released Parties unless they first have timely exercised their right to opt out or otherwise excluded themselves from participation in this Settlement and such an opt out or exclusion has been received.

Inquiries From Class Members

3. It shall be the responsibility of the Settlement Administrator to respond to all inquiries from Class Members with respect to this Settlement except to the extent that inquiries are directed to Class Counsel. For any Class Member who contacts AT&T or counsel for AT&T with questions about this Settlement Agreement, AT&T or counsel for AT&T shall direct the inquiry to Class Counsel.

Limitation on Use of Settlement Agreement

4. Neither the acceptance by AT&T of the terms of this Settlement Agreement nor any of the related negotiations or proceedings constitutes an admission with respect to the merits of the claims alleged in the Action or in any other action, the validity or certifiability for litigation of any claims that are or could have been asserted by any of the Class Members or other persons in the Action or in any other action, or the liability of AT&T in the Action or in any other action. AT&T specifically denies any liability or wrongdoing of any kind associated with the claims alleged in the Action. This Settlement Agreement shall not be used, offered or received into evidence in the Action or any other action or proceeding, for any purpose other than to enforce, to protect, to construe, or to finalize the terms of the Settlement Agreement and/or to obtain the preliminary and final approval by the Court of the terms of the Settlement Agreement, without a court order.

Claims Against Settlement Benefits

5. In the event a third party, such as a bankruptcy trustee, former spouse, or other third party, has or claims to have a claim against any payment made to a Class Member, it is the responsibility of the Class Member to transmit the funds to such third party.

Publicity:

6. The Parties and their counsel shall not volunteer comments about the litigation or the Settlement to the media, members of the Bar, or the general public. If, however, such a person or entity asks about the Settlement, this Paragraph shall not prevent a Party or their counsel from describing the nature of the case and the Settlement in a general manner that is consistent with the terms of this Settlement Agreement, but without additional editorial statements, expressions of personal opinion, or estimates of settlement value other than the Settlement Fund. It is provided further, however, that nothing in this paragraph shall prevent

counsel from publishing on counsel's website copies of (or links to) publicly available settlement materials filed in the litigation, noting counsel's representation in the case and describing in a general manner, consistent with the terms of the Settlement Agreement, the settlement reached in this matter. The Parties and their counsel agree that in no event shall any of them disparage one another or state, or imply in sum or substance, that the Settlement represents an acknowledgement by any of the Parties of any wrongdoing or liability in this or any other matter.

7. Nothing in this provision shall be interpreted to limit representations that the Parties or their attorneys may make to the Court to assist it in its evaluation of the proposed Settlement; nor shall this provision prohibit Class Counsel from having attorney client communications directly with a Class Member once appointed Class Counsel. A party may also provide necessary and accurate information about the Settlement to its shareholders and other person or entities as required by securities laws or other applicable laws or regulations.

8. The Parties agree that nothing in this Agreement shall be construed to prohibit communications between AT&T, on the one hand, and Class Members, on the other hand, in the regular course of AT&T's business.

Counterparts

9. This Settlement Agreement and any amendments hereto may be executed in one or more counterparts, and either Party may execute any such counterpart, each of which when executed and delivered shall be deemed to be an original and both of which counterparts taken together shall constitute but one and the same instrument. A facsimile or PDF signature shall be deemed an original for all purposes.

Integration Clause

10. This Settlement Agreement, including the Exhibits referred to herein that form an integral part hereof, contains the entire understanding of the Parties with respect to the subject matter contained herein. There are no promises, representations, warranties, covenants, or undertakings governing the subject matter of this Settlement Agreement other than those expressly set forth in this Settlement Agreement. This Settlement Agreement supersedes all prior agreements and understandings among the Parties with respect to the settlement of the Action. This Settlement Agreement may not be changed, altered, or modified, except in a writing signed by the Parties and their counsel, and approved by the Court, and may not be discharged except by performance in accordance with its terms or by a writing signed by the Parties.

Execution of Documents

11. The Parties shall execute all documents and perform all acts necessary and proper to effectuate the terms of this Settlement Agreement. The execution of documents must take place prior to the date scheduled for hearing on preliminary approval of this Settlement Agreement.

Independent Judgment and Advice of Counsel

12. Each party to this Settlement Agreement warrants that he, she, or it is acting upon his, her, or its independent judgment and upon the advice of his, her, or its counsel and not in reliance upon any warranty or representation, express or implied, of any nature or kind by any other party, other than the warranties and representations expressly made in this Settlement Agreement. The Parties acknowledge, agree, and specifically warrant to each other that they have read this Settlement Agreement, have received legal advice with respect to the advisability of entering into this Settlement, and fully understand its legal effect.

Governing Law

13. The Settlement Agreement shall be construed, enforced, and administered in accordance with the laws of the State of Illinois.

Jurisdiction

14. The Court shall retain jurisdiction, after entry of the Final Approval Order and Judgment with respect to enforcement of the terms of this Settlement Agreement, and all Parties and Class Members submit to the exclusive jurisdiction of the Court with respect to the enforcement of this Settlement and any dispute with respect thereto.

Exhibits

15. The exhibits to this Settlement Agreement are an integral and material part of this Settlement Agreement and are hereby incorporated and made a part of this Settlement Agreement.

No Assignments; Binding on Assigns

16. Each Party represents, covenants, and warrants that he, she, or it has not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber any portion of any liability, claim, demand, cause of action, or rights that he or she herein releases. This Settlement Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, trustees, executors, successors, and assigns.

Terms and Conditions Not Superseded

17. Nothing in this Settlement Agreement abrogates, supersedes, modifies, or qualifies in any way any of the contractual terms and conditions applicable in the ordinary course of the relationship between AT&T and its customers or to the services provided by AT&T and purchased by its customers.

Waiver of Compliance

18. Any failure of any Party to comply with any obligation, covenant, agreement, or condition herein may be expressly waived in writing, to the extent permitted under applicable law, by the Party or Parties entitled to the benefit of such obligation, covenant, agreement, or condition. A waiver or failure to insist upon compliance with any representation, warranty, covenant, agreement, or condition shall not operate as a waiver of, or estoppels with respect to, any subsequent or other failure.

No Collateral Attack

19. This Settlement Agreement shall not be subject to collateral attack by any Settlement Class members or their representatives any time on or after the Effective Date. Such prohibited collateral attacks shall include, but shall not be limited to, claims that a Class Member's claim should have been heard or decided by another court or in another suit, that a Class Member's claim was improperly denied, that the payment to a Class Member was improperly calculated, and/or that a Class Member failed to receive timely notice of the Settlement.

Authorization

20. The signatories hereto represent that they are fully authorized to enter into this Settlement Agreement and bind the Parties to the terms and conditions hereof.

Settlement Class Member Signatures

21. It is agreed that, because the Settlement Class is so numerous, it is impractical to have each Class Member execute this Settlement Agreement. The Notice will advise all members of the Settlement Class and/or their representatives of the binding nature of the releases and of this Settlement Agreement and, in the absence of a valid and timely request for exclusion,

such Notice shall have the same force and effect as if each Class Member executed this Settlement Agreement.

Tax Withholding or Advice

22. Class Members shall be solely responsible for reporting and payment of any federal, state, and/or local income or other tax or any withholding, if any, on any of the benefits conveyed pursuant to this Settlement Agreement, subject to any tax withholding required by law as may be implemented by the Settlement Administrator. Class Counsel and AT&T make no representations, and have made no representations, as to the taxability of the relief to Patel and the other Class Members. Class Members, just like Class Counsel, the Settlement Class Representative, and AT&T, are responsible for seeking their own tax advice at their own expense.

PROPOSED FINAL ORDER APPROVING SETTLEMENT

WHEREAS, on _____, a Preliminary Approval Order was entered by the Court preliminarily approving the proposed Settlement pursuant to the terms of the Parties’ Settlement Agreement and directing that notice be given to the Settlement Class (Dkt. # ____);

WHEREAS, pursuant to the notice requirements set forth in the Settlement Agreement and in the Preliminary Approval Order, the Settlement Class was notified of the terms of the proposed Settlement, of the right of members of the Settlement Class to opt out, and of the right of members of the Settlement Class to be heard at a Final Approval Hearing to determine, *inter alia*: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable and adequate for the release of the claims contemplated by the Settlement Agreement; and (2) whether judgment should be entered dismissing this Action with prejudice;

WHEREAS, a Final Approval Hearing was held on _____, 201____. Prior to the Final Approval Hearing, Class Members were notified of their right to appear at the Final Approval Hearing in support of or in opposition to the proposed Settlement, the award of Attorney’s Fees and Costs to Class Counsel, and the payment of the Incentive Award.

NOW, THEREFORE, the Court having heard the presentation of Class Counsel and counsel for AT&T, having reviewed all of the submissions presented with respect to the proposed Settlement, having determined that the Settlement is fair, adequate and reasonable, having considered the Attorney's Fees and Cost application made by Class Counsel and the application for an Incentive Award to the Settlement Class Representative and having reviewed the materials in support thereof, and with good cause appearing:

THE COURT FINDS AND ORDERS AS FOLLOWS:

1. The capitalized terms used in this Final Approval Order and Judgment shall have the same meaning as defined in the Settlement Agreement except as may otherwise be ordered.

2. The Court has jurisdiction over the subject matter of this Action and over all claims raised therein and all Parties thereto, including the claims of the Settlement Class.

3. The Court hereby approves the Settlement, including the plans for implementation and distribution of the settlement relief, and finds that the Settlement is, in all respects, fair, reasonable and adequate to the Class Members, within the authority of the Parties and the result of extensive arm's-length negotiations. The Parties shall effectuate the Settlement Agreement in accordance with its terms. The Settlement Agreement and every term and provision thereof shall be deemed incorporated herein as if explicitly set forth and shall have the full force of an Order of this Court.

4. The Court has considered all objections to the Settlement and finds these objections do not counsel against Settlement approval. The objections are therefore hereby overruled.

5. The final Settlement Class, which will be bound by this Final Approval Order and Judgment, shall include all members of the Settlement Class who did not submit timely and valid requests to be excluded from the Settlement Class.

6. For purposes of the Settlement and this Final Approval Order and Judgment, the Court hereby finally certifies the following Settlement Class: “All subscribers to those wireless telephone numbers identified as having lodged a complaint prior to November 18, 2015, regarding receiving a communication from AT&T regarding an AT&T U-Verse account for which they were not the accountholder, excluding subscribers of AT&T wireless and/or U-verse services, as documented in Exhibit F of the Settlement Agreement.”

7. The Court finds that the plan for Notice set forth in the Settlement Agreement and effectuated pursuant to the Preliminary Approval Order was the best notice practicable under the circumstances. It provided due and sufficient notice to the Settlement Class of the pendency of the Action, of certification of the Settlement Class for settlement purposes only, of the existence and terms of the Settlement Agreement, and of the Final Approval Hearing, and satisfied the requirements of the Federal Rules of Civil Procedure, the United States Constitution, and other applicable law.

8. The Settlement Agreement is, in all respects, fair, reasonable, and adequate, is in the best interests of the Settlement Class, and is therefore approved.

9. All persons who have not made their objections to the Settlement in the manner provided in the Settlement Agreement are deemed to have waived any objections by appeal, collateral attack, or otherwise.

10. The cash distributions provided for in the Settlement Agreement shall be paid to the various Settlement Class members submitting Valid Claim Forms, pursuant to the terms and conditions of the Settlement Agreement.

11. Upon the Effective Date, members of the Settlement Class who did not validly and timely opt out shall, by operation of this Final Approval Order and Judgment, have fully, finally and forever released, relinquished and discharged AT&T from the claims covered by the releases contained in the Settlement Agreement.

12. All members who did not validly and timely opt out are hereby permanently barred and enjoined from filing, commencing, prosecuting, maintaining, intervening in, participating in, conducting or continuing, either directly or in any other capacity, any action or proceeding in any court, agency, arbitration, tribunal or jurisdiction asserting any claims released pursuant to the Settlement Agreement, or seeking an award of fees and costs of any kind or nature whatsoever and pursuant to any authority or theory whatsoever, relating to or arising from the Action and/or as a result of or in addition to those provided by the Settlement Agreement.

13. The terms of the Settlement Agreement and this Final Approval Order and Judgment shall have maximum res judicata, collateral estoppel and all other preclusive effect in any and all claims for relief, causes of action, suits, petitions, demands in law or equity, or any allegations of liability, damages, debts, contracts, agreements, obligations, promises, attorney's fees, costs, interest or expenses that were or could have been asserted in the Action or that are covered by the releases contained in the Settlement Agreement.

14. The Final Approval Order and Judgment, the Settlement Agreement, the Settlement that it reflects and all acts, statements, documents or proceedings relating to the Settlement are not, and shall not be construed as, or used as an admission by or against AT&T of

any fault, wrongdoing, or liability on the part of AT&T or of the validity or certifiability for litigation of any claim or the existence or amount of any damages.

15. The Court hereby grants Class Counsel's request for an award of reasonable Attorney's Fees and Costs in the amount of \$_____. This amount is to be paid out of the Settlement Fund, in accordance with the Settlement Agreement. The Court further grants Class Counsel's application for an Incentive Award for Kison Patel in the amount of \$_____. This amount is to be paid by AT&T separately from the Settlement Fund.

16. The above-captioned Action is hereby dismissed in its entirety with prejudice. Except as otherwise provided in this Final Approval Order and Judgment, the parties shall bear their own costs and attorney's fees. Without affecting the finality of the Judgment hereby entered, the Court reserves jurisdiction over the implementation of the Settlement Agreement that is embodied herein including enforcement and administration of the Settlement Agreement, and distribution of any remaining funds to the 503(c) entity as a *cy pres* award.

EXHIBIT C

You May Be Entitled to a Payment of No Less Than \$175
This Summary Notice of Settlement Has Been Preliminarily Approved by the
U.S. Federal District Court of the Northern District of Illinois
in *Patel v. AT&T Services, Inc. et al.*, 15-cv-8174

RE: Cellular Telephone Number [Insert Class Member Telephone Number Here]

A Settlement Agreement has been reached in a class action lawsuit that alleges that AT&T used an automatic telephone dialing system and/or an artificial or prerecorded voice to make calls to cellular telephones regarding AT&T's U-Verse service, without the prior express consent of the cellular service subscribers. AT&T strongly denies the allegations that it violated the Telephone Consumer Protection Act, but has agreed to settle to avoid the burden and cost of further litigation. You may be a member of the Settlement Class and entitled to payment under that Settlement.

AT&T's records indicate that AT&T or someone acting on its behalf placed or attempted to place one or more calls using an automated dialing system or a prerecorded voice to the Telephone Number listed above. If this number belonged to you at the time the call(s) were made, the calls were made without your consent, and you are not currently a customer of AT&T Mobility or AT&T U-Verse service and were not a customer of those services at the time of such call(s), you may be entitled to receive payment under the Settlement.

A settlement fund of \$1,925,000 has been established to pay valid claims and attorney's fees. If you received calls to your Telephone Number from AT&T regarding its U-verse service that were made using an automated system or a prerecorded voice, you may be eligible to receive a share of that settlement fund if you did not consent to receive such calls. The final cash payment amount will depend on the total number of valid and timely claims filed by all Class Members, as well as the number of calls you received. A minimum of \$175 is based on if all class members submit a claim and the Court awards the full amount of attorney's fees requested.

You may choose to exclude yourself from, or object to, the Settlement. The Court has appointed class counsel to represent the Settlement Class. That attorney is Curtis C. Warner, Warner Law Firm, LLC, 350 S. Northwest Hwy. Ste. 300, Park Ridge, IL 60068. You will not be charged for his work and you can contact him at (847) 701-5290 or cwarner@warnerlawllc.com. Class Counsel will request an award for attorney's fees and expenses from the Court in an amount of twenty-five percent (25%) of the \$1,925,000 Settlement Fund. You may hire your own attorney, but only at your own expense. The class representative is requesting an incentive award of \$10,000, separate of the settlement fund for his participation in this lawsuit and for his alleged damages.

YOUR OPTIONS:

- **To receive payment, you must submit a Claim Form. Claim Forms must be submitted electronically or postmarked by XXXX, XXXX. A Claim Form has been mailed to you along with this notice. Alternatively, you may obtain a Claim Form by visiting [www.\[INSERT\].com](http://www.[INSERT].com).**
- If you choose to exclude yourself from the Settlement and keep your right to sue or arbitrate against AT&T, you must send a written request for exclusion postmarked by [[deadline]], to [[claims administrator address]].
- If you do not exclude yourself, you have or your lawyer has the right to appear before the Court and object to the Settlement or to Class Counsel's request for an award of attorney's fees and costs. Any objections to the Settlement or the attorney's fees request, along with any supporting material must be postmarked by XXXX and filed with the Court by that date. Untimely objections and material not filed will not be considered. You must submit a valid Claim Form to submit an objection.
- If you do not exclude yourself, you will be bound by the terms of the Settlement and give up your rights to sue AT&T or to pursue arbitration against AT&T for any claim relating to the calls.

The Court will determine whether to approve the Settlement at a Fairness Hearing scheduled to take place on [[date, time]] at the United States District Court for the Northern District of Illinois, 219 S. Dearborn Street, Chicago, Illinois 60604. The hearing will take place before Judge John Z. Lee in Courtroom 1225.

*****These rights and the options and the deadlines to exercise them are explained below.*****

1. What is this notice about?

Defendants have agreed to settle this case on a nationwide class basis. Pursuant to the Court's Order preliminarily approving the parties' class settlement agreement, this notice of the

settlement, which contains an explanation of your rights under the terms of the settlement, and information on how to submit a claim for a share of the settlement proceeds, is being made available on the settlement website, [www.\[INSERTADDRESS\]](http://www.[INSERTADDRESS]).

2. What is this lawsuit about?

Plaintiff filed the above-captioned lawsuit on behalf of himself and a nationwide class in the United States District Court for the Northern District of Illinois, Eastern Division (the “Lawsuit”) against Defendants AT&T Services Inc. and Illinois Bell Telephone Company (collectively “AT&T”) alleging violations of the Telephone Consumer Protection Act (“TCPA”), 47 U.S.C. § 227. Specifically, Plaintiff claims that AT&T placed calls regarding its U-verse service that utilized an automated telephone dialing system or a prerecorded or artificial voice message to the cellular telephone numbers of individuals who did not consent to receive such calls. Plaintiff sought to recover for himself and for each person who received such calls statutory damages of \$500 per violation, subject to trebling for any willful or knowing violations of the TCPA. AT&T denies that it violated the TCPA, denies that any calls that may have violated the TCPA were made willfully or knowingly, and denies that Plaintiff and members of the Settlement Class are entitled to any damages. Defendant also denies that a class can be certified under Rule 23 of the Federal Rules of Civil Procedure.

3. Why is this a class action?

In a class action, a person called the Class Representative (in this case, Kison Patel) filed suit on behalf of a group (the “Class”) who may have similar legal claims.

4. Why is there a settlement?

In order to avoid the cost, risk, and uncertainty associated with continued litigation and a trial, the parties agreed to a class-wide settlement.

5. How do I know if I am a part of the settlement?

The Court decided that everyone falling under the following definition is a member of the Settlement Class:

All subscribers to those wireless telephone numbers identified as having lodged a complaint prior to November 18, 2015, regarding receiving a communication from AT&T regarding an AT&T U-Verse account for which they were not the accountholder (excluding subscribers of AT&T wireless and/or U-verse services).

A list of the telephone numbers that fall within this definition is attached to the settlement agreement as Exhibit F, and is available on the settlement website.

6. What can I get from the settlement?

Under the settlement agreement, settlement class members who file a timely claim will receive a share from a \$1,925,000 Settlement Fund, after attorney's fees are deducted from that fund. Plaintiff's counsel has requested that the Court award him attorney's fees of one-quarter of the \$1,925,000 Settlement Fund – an amount that remains subject to final Court approval. Each class member who submits a timely claim will receive a base payment of a *pro rata* share of the Settlement Fund, up to \$250 per claimant. If the number of claims is such that the base payment is not sufficient to exhaust the Settlement Fund, the remainder of the Settlement Fund will be distributed on a *pro rata* basis to the claimants based on the number of automated collection calls made to the person's telephone number, as reflected in the AT&T call records produced in discovery. This *pro rata* distribution will be capped at \$500 per call, the standard statutory damages under the TCPA.

7. How do I receive a payment?

To receive the cash payment from the Settlement Fund, you need to complete a claim form and return it to the Settlement Administrator either by U.S. Mail or by submitting a claim form electronically through the Settlement Website.

8. What am I giving up to receive these benefits?

By staying in the class, all of the Court's orders will apply to you, and you agree to give AT&T a "release." A release means you can't sue or be part of any other lawsuit against AT&T regarding any calls using an autodialer or a prerecorded or artificial voice message made to your cellular telephone number about AT&T's U-verse service. This includes the TCPA claims covered by the Lawsuit.

9. How much will the Class Representative receive?

AT&T, in addition to and separate from the Settlement Fund, has agreed to pay \$10,000 to Plaintiff for Plaintiff's alleged statutory damages, as an incentive for Plaintiff serving as the class representative in this case, and for Plaintiff's time representing the interests of the Class in this lawsuit. This amount is subject to the Court's final approval.

10. What happens to Unclaimed Settlement Cash Amounts?

To the extent the total number of claimants is insufficient to completely exhaust the Settlement Fund, the amount remaining will be distributed as *cy pres* to a 503(c) organization agreed upon by Plaintiff and Defendants, subject to the Court's approval.

Checks drawn on the Settlement Fund shall expire and be void if not cashed within 45 (forty-five) days. Checks that become stale as a result of not being timely cashed shall revert to AT&T.

11. How do I exclude myself from the Settlement?

If you don't want to receive the benefits of the settlement, but you want to keep your legal claims against the Defendants, then you must take steps to exclude yourself from the settlement. To exclude yourself from the settlement, you must send a written request by mail to the Settlement Administrator stating that you want to be excluded from the settlement in *Patel v. AT&T Services Inc.* Be sure to include your name, address, telephone number and your signature. You must mail your exclusion request no later than [DATE].

12. If I exclude myself, do I still receive benefits from this settlement?

No, if you opt out of the settlement, you will not receive anything resulting from the settlement of this case, but you will retain any rights you may have to sue the Defendants over the claims raised in this case on your own.

13. Do I have a lawyer in this case?

The Court has named Curtis Warner of Warner Law Firm, LLC as class counsel. You will not be charged by that firm. The firm will petition the Court for attorney's fees and expenses from the Settlement Fund, in the total amount of one-quarter of the Settlement Fund. The amount paid as attorney's fees is subject to Court approval. If you want to be represented by your own lawyer, you may hire one at your own expense.

14. How do I tell the Court that I don't like the settlement?

If you are a class member, you can object to the settlement. In order to object to the settlement or any part of the settlement, you must send a letter or legal brief stating that you object and the reasons why you think the Court should not approve the settlement. You must include the name and number of your case (*Patel v. AT&T Services Inc.*, 15-cv- 8174 (N.D. Ill.)), your name, address, telephone number, and your signature. If you are objecting to the settlement, you may also appear at the final fairness hearing. You must file a claim form

certifying you are a member of the class to have the Court consider your objection. If your objection is overruled, you will receive the same distribution in the same manner made to other class members, as if you had not objected.

You must mail or your attorney must file your objection by [DATE]. The objection should be mailed to:

Clerk of the Court
United States District Court for the Northern District of Illinois
Everett McKinley Dirksen United States Courthouse
219 S. Dearborn St.,
Chicago, Illinois 60604

A copy of your objection should be provided to the Settlement Administrator. Copies can be, but they are not required to be, provided to counsel for the parties, as follows: for Class Counsel: to Curtis Warner, Warner Law Firm, LLC, 350 S. Northwest Hwy, Ste. 300, Park Ridge, IL 60068; for AT&T: Hans Germann, Mayer Brown, LLP, 71 S. Wacker Drive, Chicago, IL 60606.

15. When and where is the final fairness hearing?

The Court will hold a hearing to decide whether to approve the settlement. You may attend if you wish, but you are not required to do so. The Court will hold that fairness hearing on [[date, time]] at the United States District Court for the Northern District of Illinois, 219 S. Dearborn Street, Chicago, Illinois 60604. The hearing will take place before Judge John Z. Lee in Courtroom 1225. The purpose of the hearing will be for the Court to determine whether the proposed settlement is fair, reasonable and adequate and in the best interest of the class. The Court will also decide whether to approve the payments to the Plaintiff and to class counsel at that time. At that hearing, the Court will be available to hear any objections and arguments concerning the fairness of the proposed settlement. The hearing may be postponed to a later date without notice.

YOU ARE NOT REQUIRED TO ATTEND THIS HEARING. THE COURT WILL CONSIDER YOUR OBJECTIONS WITHOUT YOU OR AN ATTORNEY APPEARING ON YOUR BEHALF.

PROPOSED ORDER PRELIMINARILY APPROVING SETTLEMENT

WHEREAS, the Parties have reached a proposed settlement and compromise of the dispute between them and other similarly situated persons in the Action, which is set forth in the Settlement Agreement filed with the Court; and

WHEREAS, the Parties have applied to the Court for preliminary approval of the proposed Settlement, the terms and conditions of which are set forth in the Settlement Agreement; and

WHEREAS, it appears to the Court upon preliminary examination that the proposed Settlement is fair, reasonable and adequate, and that a hearing should be held after notice to the Settlement Class of the proposed Settlement to finally determine whether the proposed Settlement is fair, reasonable and adequate and whether a Final Approval Order and Judgment should be entered in this Action.

THE COURT FINDS AND ORDERS AS FOLLOWS:

1. The capitalized terms used in this Preliminary Approval Order shall have the same meaning as defined in the Settlement Agreement except as may otherwise be ordered.

2. The Court preliminarily approves the Settlement Agreement as fair, reasonable and adequate to the Settlement Class, as falling within the range of possible final approval, and as meriting notice of the Settlement to persons in the Settlement Class for their consideration and a hearing as to the approval of the Settlement.

3. The Settlement Agreement was entered into by experienced counsel and only after extensive arm's-length negotiations.

4. For purposes of the Settlement only, the Court certifies the Settlement Class, consisting of: "All subscribers to those wireless telephone numbers identified as having lodged a complaint prior to November 18, 2015 regarding receiving a communication from AT&T regarding an AT&T U-Verse account for which they were not the accountholder, excluding subscribers of AT&T wireless and/or U-verse services, as documented in Exhibit F of the Settlement Agreement."

5. The Court preliminarily finds, for settlement purposes only, that:

- a. The above-described Settlement Class is so numerous that joinder of all members is impracticable;
- b. There are questions of law or fact common to the Settlement Class;
- c. The claims of the Settlement Class Representative are typical of the claims of the Settlement Class;
- d. The Settlement Class Representative will fairly and adequately protect the interests of the Settlement Class;
- e. The questions of fact or law common to the members of the Settlement Class predominate over the questions affecting only the individual members; and

- f. Certification of the Settlement Class is superior to other available methods for the fair and efficient adjudication of the controversy.
6. The Court finds that it has personal jurisdiction over all Class Members, including the absent Class Members.
7. The named Plaintiff, Kison Patel, shall be the Settlement Class Representative of the Settlement Class. This Court preliminarily finds that he will fairly and adequately represent and protect the interests of the absent Class Members.
8. The Court approves Curtis C. Warner of Warner Law Firm, LLC as settlement Class Counsel. This Court preliminarily finds that he is competent, capable of exercising all responsibilities as Class Counsel, and will fairly and adequately represent and protect the interests of the absent Class Members.
9. The Court approves KCC to serve as the Settlement Administrator in this Action.
10. A Final Approval Hearing shall be held before this Court at _____ on _____, 201_____, to address: (a) whether the proposed Settlement should be finally approved as fair, reasonable, and adequate including the settlement amount provided to the claiming class members, Class Counsel's Attorney Fee request, and Plaintiff's Incentive Award request; and (b) whether the Final Approval Order and Judgment should be entered. The Final Approval Hearing may be postponed, adjourned or continued by order of the Court without further notice to the Settlement Class, except that such changes shall be posted on the Settlement Website. After the Final Approval Hearing, the Court may enter a Final Approval Order and Judgment in accordance with the Settlement Agreement that will adjudicate the rights of all Class Members with respect to the rights being settled.

11. The Court approves, as to form and content, the use of a Claim Form and Notice substantially similar to the forms attached as Exhibits A, C and D of the Settlement Agreement, respectively.

12. The Court authorizes Class Counsel to issue subpoenas to Verizon Wireless, T-Mobile, Sprint, and U.S. Cellular (collectively the “Carriers”) to identify the subscribers of the telephone numbers that constitute the Settlement Class, as described in the Settlement Agreement. For numbers whose ownership is not identified in the Carriers’ responses to the subpoenas, the Settlement Administrator will use a reverse look-up process to identify the subscribers of the numbers. Within thirty (30) days from the Settlement Administrator receiving a response containing the return of information from the last of the issued subpoenas, Notice will be provided to members of the Settlement Class by first-class U.S. mail, as provided for in the Settlement Agreement. For all telephone numbers of members of the Settlement Class that are not identified in the responses to the subpoenas issued to the wireless carriers, the Settlement Administrator will use a reverse look-up process to attempt to identify the owners of those numbers.

13. The cost of Notice and of settlement administration shall be paid by AT&T and invoiced directly to AT&T by the Settlement Administrator. This amount is to be paid separate from the Settlement Fund.

14. The Notice, as directed in this Order, constitutes the best notice practicable under the unique circumstances of this case and is reasonably calculated to apprise members of the Settlement Class of the pendency of this Action and of their right to object to the Settlement or exclude themselves from the Settlement Class. The Court further finds that the Notice program is reasonable, that it constitutes due, adequate and sufficient notice to all persons entitled to

receive such notice and that it meets the requirements of due process and of Federal Rule of Civil Procedure 23. The Court hereby further prohibits any additional generalized notices or communications, whether by written correspondence, advertisements, Internet postings, or other media to Class Members by the Parties about the Settlement or its terms other than as specifically authorized by this Agreement, except that nothing herein shall impact Class Counsel's ability to discharge their attorney-client obligations to members of the Settlement Class.

15. Any member of the Settlement Class who desires to be excluded from the Settlement Class, and therefore not be bound by the terms of the Settlement Agreement must submit to the Settlement Administrator, pursuant to the instructions and requirements set forth in the Notice, a timely and valid written request for exclusion postmarked no later than forty-five (45) days from the deadline for sending Notice.

16. Each request for exclusion must be personally signed by the individual Class Member; so-called "mass" or "class" opt outs shall not be allowed. No person shall purport to exercise any exclusion rights for any other Person, or purport to exclude any other Class Member as a group, aggregate or class involving more than one Class Member, or as an agent or representative. Any such purported exclusion shall be void and the person that is the subject of the purported opt out shall be treated as a member of the Settlement Class and be bound by the Settlement.

17. Any member of the Settlement Class who elects to be excluded shall not be entitled to receive any of the benefits of the Settlement, shall not be bound by the release of any claims pursuant to the Settlement Agreement, and shall not be entitled to object to the Settlement or appear at the Final Approval Hearing.

18. Any Class Member who does not submit a valid and timely request for exclusion and has submitted a valid and timely claim form may object to the proposed Settlement, to Class Counsel's Attorney's Fees and Costs application, and/or to the application for an Incentive Award to named Plaintiff. Any such Class Member shall have the right to appear and be heard at the Final Approval Hearing, either personally or through an attorney retained at the Class Member's own expense. Any such Class Member must file with the Court including any specific objections they wish to make, no later than forty-five (45) days from the deadline for sending Notice. Any Class Member who fails to do so shall be foreclosed from making such objection or opposition, by appeal, collateral attack, or otherwise. A copy of these objections should also be served on the Settlement Administrator.

19. All proceedings in this Action are stayed until further order of the Court, except as may be necessary to implement the terms of the Settlement. Pending final determination of whether the Settlement should be approved, Plaintiff, all persons in the Settlement Class, and persons purporting to act on their behalf are enjoined from commencing or prosecuting (either directly, representatively, or in any other capacity) any released claim against AT&T in any action, arbitration, or proceeding in any court, arbitration forum, or tribunal.

20. Further settlement proceedings in this matter shall proceed according to the schedule listed below. Within 14 (fourteen) days of the Parties' receipt of the last, complete Carrier subpoena response, the Parties will jointly notify the Court of such. Any deadlines listed in the Notice, Claim Form and Settlement Website or in this Preliminary Approval Order that are tied to the Parties' receipt of the last, complete Carrier subpoena response will be updated to reflect actual dates after the receipt of the last, complete Carrier subpoena response.

purpose (including but not limited to class certification) in this Action or any other action. In such event, the Settlement Agreement, exhibits, attachments and all negotiations and proceedings related thereto shall be deemed to be without prejudice to the rights of any and all of the parties who shall be restored to their respective positions as of the date and time immediately preceding the execution of the Settlement Agreement.
